

15th May, 1963.

Dear Mr. Lee,

Thank you for your letter.

I am glad you were interested in my article on Psychometabolism, and am glad to give you permission to reprint it, with due acknowledgement, in your Review. You will also, of course, have to obtain permission from the Journal of Neuropsychiatry.

I am afraid it is impossible for me to write any new article on the subject at the moment, or to attend your seminar in August.

Yours faithfully,

*Julian Huxley.*
